LEGAL DISCLAIMER

The information provided on MVRS TOKEN website does not constitute investment advice, financial advice, trading advice, or any other sort of advice and you should not treat any of the website's content as such. MVRS TOKEN team does not recommend that any cryptocurrency should be bought, sold, or held by you. Do conduct your own due diligence and consult your financial advisor before making any investment decisions. By purchasing MVRS, you agree that you are not purchasing a security or investment and you agree to hold the team harmless and not liable for any losses or taxes you may incur. You also agree that the team is presenting the token "as is" and is not required to provide any support or services. You should have no expectation of any form from MVRS TOKEN and its team. Although MVRS is a community driven token for social networking and not a registered digital currency, the team strongly recommends that citizens in areas with government bans on Crypto do not purchase it because the team cannot ensure compliance with your territory's regulations. Always make sure that you are in compliance with your local laws and regulations before you make any purchase.

ABOUT MVRs

Meta MVRs Token was created for the community of MetaVerse believers. We aim to grow our community of holders by cutting supply gradually (Token Burn) and adding features such as air drops, NFTs and our very own Swap technology.

OUR MISSION

Our Mission is to Create the best community that will enjoy blockchain technologies and grow a global movement that defies the status quo and makes profitability intrinsically linked to positive social impact and MetaVerse implementations.

OUR VISION

Hodler Rewards

In the future, we plan to have weekly airdrops to our holders. the more you hold, the bigger the airdrop is. for more information check our [RoadMap](#)

50% Token Burned

From the get go, we decided to cut supply in half, and burn 50% MVRs Tokens.
The Supply will NEVER grow past the amount of circulation supply

Tokenomics

Mental health awareness

Our community becomes part of something even larger than itself. We give directly, not just passively, and we inspire each other to raise awareness towards mental health

Ignite

We aim to **IGNITE** the community by adding valuable traits to the MVRS community Token

Build

We aim to **BUILD** the best community of MetaVerse believers.

Empower

We aim to **EMPOWER** the community by adding value to each and every MVRS Token Hodler

TOKENOMICS

2% Donation

We will instantly donate 2% to **Mental Health**, meaning you get to help the community by just having MVRS in your virtual wallet! Through this, we all contribute to making MVRS the best social Token in the world.

Swap Technology development

4% will be allocated to our Swap technology development.
Every trade made through MVRS Swap in the future will contribute 1% towards automatically generating more liquidity

NFT Marketplace development

4% will be contributed to our NFT department. This includes our very own marketplace and a team of artists.
this feature will help all MVRS Hodlers to earn more profits from the project.

15% toward Marketing & Incentives

We want to make sure MVRS gets the proper exposure it needs to create a thriving community.
This fund allocation is used exclusively for development and marketing purposes.
